Curriculum Explanation: FRENCH KS3

Year 7	Year 8	Year9
<p><u>Greetings and introducing yourself and your family</u></p> <p>In this unit, students will learn basic vocabulary and will start to communicate in the target language with their peers.</p>	<p><u>Free time</u></p> <p>In this unit pupils’ explore a variety of hobbies that they do at the weekend. Also they will be introduced to past tense structures.</p>	<p><u>School</u></p> <p>In this unit, students will be talking about their school in general including school subjects/ uniform/ school description and their routine before and after school.</p>
<p><u>Home</u></p> <p>Students will have gained more knowledge and vocabulary in French. This unit of work focuses on describing their home and neighbourhood and using positive and negative opinions.</p>	<p><u>Invitations</u></p> <p>This unit of work focuses on asking questions about going out/ accepting or declining these invitations using a variety of excuses.</p>	<p><u>Chores/ pocket money</u></p> <p>This unit focuses on how students help around the house with a variety of structures and tenses used. That will link up to pocket money and part-time jobs in the future.</p>
<p><u>Routine</u></p> <p>Students are learning to develop their answers by adding more opinions, reasons. Also they are able to ask questions and they can conjugate some regular verbs ending in -er and one irregular verb (faire=to do) in the present form.</p>	<p><u>Drinks and foods</u></p> <p>Students will learn about expressing opinions about the foods and drinks they like and dislike. They will be able to take part in a role play in a restaurant. This will boost their confidence in Speaking. Pupils will develop a knowledge of French culinary in different regions of France.</p>	<p><u>Shopping transactions</u></p> <p>Pupils will learn new vocabulary about food shopping in the market and clothes shopping with an emphasis on practising speaking through role play (shop keeper and customers)</p>
<p><u>Hobbies/holidays</u></p> <p>This is introducing talking about hobbies using infinitives and opinions such as: j’aime faire / j’aime jouer/ j’aime danser Aloso students will be introduce to a new tense: immediate future, to express their future holidays.</p>	<p><u>Holidays</u></p> <p>This unit of work is focusing on talking about holiday destination/ dream holidays reinforcing the use of different tenses: present past and future. Also pupils will develop their knowledge of France tourism (Paris and its monuments)</p>	<p><u>Future plans</u></p> <p>Students will talk about their future plans, making a CV and understanding job adverts. Students will be reinforcing the future tense and applying it in their written work.</p>
