

### Year 9 Curriculum Map

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Set 1 (9-4) Higher	CO Units 1-6	CO Units 7-13	CO Units 14-18	CO Units 19-22	CO Units 23-28	CO Units 29 - 33
Set 2 (5-3) Crossover	CO Units 1-6	CO Units 7-13	CO Units 14-18	CO Units 19-22	CO Units 23-28	CO Units 29 - 33
Set 3 (5-2) Foundation	WT Units 1-3	WT Units 4-6	WT Units 7- 9	CO Units 1-6	CO Units 7-13	CO Units 14-18
Set 4 (4-2) Foundation	WT Unit 1	WT Unit 2,3	WT Unit 4, 5	WT Unit 6,7	WT Unit 8, 9	Review, Revise and Retrieve

WA – Working Above

CO – Crossover Curriculum

WT – Working Towards GCSE

Year 9 Curriculum is driven by the need to accumulate knowledge and skills ready for GCSE. Although the content is very 'GCSE' driven, the aim is to make the 'working memory' into 'long-term memory' through deliberate practice and finding out how much of the knowledge of Year 8 was brought into Year 8. The prior knowledge is everything in Year 8, but this is not a given in any way, hence these units will uncover all misconceptions and build upon the schema needed for GCSE. It is all about how we are forming the student's schema in order so that they are prepared for the rigour of GCSE. Maths is very much a sequential subject, and without the strong prior knowledge being secure, there is no point, and even damaging to move onto the next area. The curriculum across the year needs to reach everyone in the room.
