Reading and home learning are valued strands of school life and are essential to extend learning and embedding skills learned in school. It is important that pupils develop good habits of learning and understand learning doesn't stop at the end of the school day. Sometimes home can be busy and distracting and Home Learning Club allows pupils to access a quiet space and computers, together with staff assistance if required.

Our school library has undergone an extensive period of expansion and upgrading, and while the Library has been available to pupils via the online reservation system, this will be the first time that we have been able to offer pupils the opportunity to come and browse our fantastic selection of fiction and non-fiction books. We are overjoyed to be able to invite pupils back into our bright, happy and well-stocked Library. Pupils can spend time choosing their books or relaxing in our brand-new secluded beanbag reading area.

## How do I attend the Home Learning Club?

**Pupils - Check the timetable, get a note from a parent/carer in your planner to give you permission to stay after school, and come and use your school's fabulous facilities.**

**If anyone would like more information, has any questions or wishes to attend outside their year group's timetabled slot, then please speak with Mrs Turrell or email at: [e.turrell@bwa.kevibham.org](mailto:e.turrell@bwa.kevibham.org)**

**We look forward to seeing you soon!**
